PROCard™: How does it work?

For each Noritz tankless water heater installation you perform, completely fill out and return the **Warranty Registration Card** included with each heater. Don't forget to write your **PROCard™ Membership #** on the back* and ensure that the **Serial #** of the heater is written on the front of the card. Points will be automatically saved in your account. When your **PROCard™** account balance reaches 300 points, we will send your \$100 rebate check within 8 weeks.
